March 6, 2021

**To: Corpus Christi School Community,**

The Thunder Bay District Health Unit (TBDHU) would like to inform you that the period of heightened surveillance at Corpus Christi School due to the recent case is now over. The school is no longer considered to be at increased risk related to COVID-19 due to this case.

No additional cases of COVID-19 have been identified and we have no evidence that spread of the virus occurred in the school setting. While this is reassuring, ongoing vigilance following public health recommendations should be followed by everyone in the school community.

Thank you all for your cooperation in this process. For further information about COVID- 19 and schools, please refer to the TBDHU website: [TBDHU.com/stopgerms](https://tbdhu.com/stopgerms) and [TBDHU.com/safereturn\\_parents](https://tbdhu.com/safereturn_parents).

Sincerely,

Dr. Janet DeMille, CCFP, FRCPC  
Medical Officer of Health  
Thunder Bay District Health Unit
